PAINT SHOP FINISHER

Addison Residential is seeking to hire a full-time finisher for our busy paint shop. Finisher will be responsible for spraying a variety of projects – cabinetry, siding, trim, etc. along with using a variety of finish products. The ideal candidate will have previous experience with finishing. The job requires repetitive motion and ability to lift-up to 65lbs. The candidate should be able to work independently, as well as be part of a team, and have a keen eye for detail.

Benefits package available.
Compensation Commensurate with Experience
