Notice of Draft Amended  
General Permit 3-9012

The Vermont Agency of Natural Resources is proposing to issue an amended general permit to authorize discharges from Potable Water Infrastructure Activities to waters of the State. The Agency has prepared an amended draft general permit in accordance with the State of Vermont's General Permit Rules, Section 13.12 of the Vermont Water Pollution Control Regulations and the Vermont Water Quality Standards, effective November 15, 2022.

This general permit is a statewide permit that will authorize and regulate discharges from Potable Water Infrastructure Activities to all Class B waters within the State of Vermont.

The public comment period is February 20, 2025 through March 24, 2025. Written comments on the proposed general permit will be accepted until the close of the business, 4:30 P.M., March 24, 2025, and may be submitted electronically via the Environmental Notice Bulletin (ENB) at:

<http://enb.vermont.gov/>, by email at: [anr.wsmdwastewater@vermont.gov](mailto:anr.wsmdwastewater@vermont.gov) or by paper copy to the Agency's mailing address: Agency of Natural Resources, Department of Environmental Conservation, Watershed Management Division, One National Life Drive, Davis Building, 3rd Floor, Montpelier, VT 05620-3522. All comments received by the above date will be considered in formulation of the final determinations.
