

ADDISON CENTRAL SCHOOL DISTRICT SPRING DEVELOPMENTAL SCREENING FOR PRESCHOOL CHILDREN

The ACSD Early Education team will be offering spring screenings to preschool children from Bridport, Cornwall, Middlebury, Ripton, Salisbury, Shoreham and Weybridge!

The ACSD Early Education Program provides services to children identified as having disabilities or delays in meeting developmental milestones. We also collaborate with area preschool and childcare programs to address the needs of our local preschool children. Screenings help to identify children who would benefit from additional support before entering kindergarten.

If you have questions or concerns about your child's developmental progress, your district early education program is offering screening for children ages 3-5 who are not enrolled in kindergarten. Screening is conducted in a playful environment, and provides information on your child's speech and language development, motor, social and early academic skills.
