

TOWN OF STARKSBORO REQUEST FOR PROPOSALS

The Town of Starksboro is seeking proposals from qualified contractors for energy efficiency upgrades at the Starksboro Food Shelf (3056 Route 116). Work includes air-sealing, insulation, and ventilation improvements funded through the Municipal Energy Resilience Program.

Preference given to firms in the Efficiency Vermont Efficiency Excellence Network (EEN) or with municipal energy retrofit experience.

Proposals due: November 21, 2025
