

Turning Point Center
OF ADDISON COUNTY

We're hiring!

Turning Point Center of Addison County is looking for a Development & Community Relations Coordinator

to strengthen fundraising, communications, and community partnerships. If you care about supporting recovery services and building a healthy Addison County, please consider applying—or sharing with someone who might be a great fit.

Turning Point Center of Addison County is a recovery community center for neighbors impacted by substance use, offering services like recovery coaching, peer support groups, and connections to local resources.
