

# STUDENTS OF THE WEEK FROM AREA HIGH SCHOOLS

## Otter Valley Union High School

### Thomic Moyer

Otter Valley Union High School's latest Student of the Week is Thomic Moyer. He lives in Leicester with his mom; stepdad, Chris; four siblings, Kinsey, JR, Winnie and Joey; and three dogs.

Thomic's favorite classes are the Moosalamoo Program, which combines traditional academics with outdoor education, business, and math. His favorite teacher is the Moosalamoo Program instructor Josh Hardt. Thomic notes Mr. Hardt is easy to get along with, cares about his students, and has personally pushed Thomic to be a better person and student.

Thomic has been on the honor roll and recently received a Moosalamoo Program award. He volunteered to lead the rope team on a Moosalamoo Program Mount Washington expedition, stating, "I was extremely nervous because standing at the bottom of the slope we were about to go up was very intimidating. Josh, our teacher, asked the group who wanted to lead the rope team. Nobody else volunteered, so I did. I was a leader in the class and felt it was my duty to do so. I feel that I improved my confidence because I feel I did well leading the class. This was an amazing experience for me, and I am extremely glad I volunteered to lead the class. I learned I may have to take a risk to achieve my goals."

When not at school, Thomic works in property maintenance and enjoys hiking, camping, fishing and hunting.

His advice to underclassmen is to be confident in themselves: "You can accomplish more than you think."

After graduation, Thomic plans to continue with his current employment. We wish him the best of luck!

## Mount Abraham Union High School

### Charlie Germon

Mt. Abraham Union High School is proud to recognize Charlie Germon as its latest Student of the Week. Charlie lives in Lincoln with his parents, Keely and Matt, and his younger brother, Noah.

Charlie has received academic and transferable skills honors throughout his high school career. He was selected to represent Mt. Abraham at Green Mountain Boys' State in his junior year. Charlie's favorite classes are AP U.S. History and AP English Language and Composition. He enjoys learning about the history of our country. His favorite teachers are Ms. Little and Ms. Thompson because they understand him and help him reach his full potential.

Charlie's passion is basketball. He has been a member of the Mt. Abraham varsity basketball team since his sophomore year. Charlie had the honor of being named Captain of the team this past season and was selected for the Vermont All-Star Basketball Team.

Outside of school, Charlie works for a local animal rescue in Lincoln and, in past summers, has worked for the Lincoln General Store. Charlie currently serves as an assistant coach for the Valley Magic Boys' Basketball team. This summer, he hopes to work on a landscaping crew before leaving for college in the fall.

Advice Charlie would give to underclassmen: "Anything worth doing, is worth doing well. If you commit to something, follow through on it."

After graduation, Charlie plans to attend college and major in business. He has been accepted to Rhodes College in Memphis, Tenn.; University of California, Santa Cruz; and Tampa University in Florida. He is making his final decision this month. We wish him all the best in his future endeavors!
