

Head Start is Hiring!

Head Start is a federally funded, national child and family development program which provides comprehensive services for pregnant women, children from birth to age five, and their families.

Services for children promote school readiness, and include early education, health, nutrition, mental health, and services for children with special needs. Services for parents promote family engagement and include parent leadership and social service support.

Current Opportunities

Early Head Start Toddler Teacher Associate - Addison County Early Learning Center

As an Early Head Start Toddler Teacher Associate, you will work in an outcome oriented, team environment, and assist the classroom team in planning and implementing a developmentally appropriate environment and experiences for infants and toddlers. Motivated Head Start educators improve the trajectory of children's lives, including children's learning outcomes, living standards, and later academic and professional success. If you want to make a difference in the lives of young children and their families, consider joining the Head Start community.
