

# **BRANDON FIRE DISTRICT #1 REQUEST FOR PROPOSALS**

Brandon Fire District #1, Brandon Fire Department, is requesting bid proposals for two energy projects under MERP.

- Installation of an exhaust airflow removal system in the apparatus bay at BFD
- Installation of a solar photovoltaic (PV) panel system on the roof at BFD

Sealed hard-copy bids are due by 12:00 noon on July 6, 2026. Specifications for each project can be found at <https://brandonfiredistrict.org>.
