DOING**

Adult Mental Health Program Direct Care Provider

Join our residential team and help create a safe, respectful, and empowering home for adults living with mental health challenges.

You will help with:

- Daily living activities including some personal care
 - Implementing treatment plans
- Crisis intervention and emotional support

Shifts include overnight and weekend hours. The base hourly pay is \$19 with shift differentials for evening (+\$3/hour) and overnight (+\$4/hour). Full, part-time and substitute positions available.

Your care will have a meaningful impact on someone's wellbeing and recovery!
